To: Water Works Officials, Water Works Superintendents, and other Interested Persons

From: Kirk Kuroiwa: Committee Chair
Indiana Section AWWA Operator School Committee

Subject: Water Treatment and Distribution Course Begins in August for Persons Preparing for Indiana's Water Works Operator Certification Exams

The Indiana Section of the American Water Works Association, in cooperation with the Drinking Water Branch of the Indiana Department of Environmental Management, is offering a water treatment and distribution operator training course this fall. This 12-week course is an excellent way for water utility operators to prepare for IDEM's water works operator certification exams in Water Treatment and Water Distribution. Additionally, this course provides water professionals an opportunity to expand their water distribution and water treatment knowledge.

Persons who plan to take IDEM's water works operator certification exams for Class DSS, DSM, DSL, WT1, WT2, WT3, WT4, or WT5 should take this course. Classes start approximately three (3) months prior to IDEM's Fall Exam date of November 5, 2015.

NOTE: The required study materials for this year's school consist of the following four book resources:

- Water Treatment Plant Operation: Field Study Training Program, Volume 1, 6th Ed. (Cat. No. 20685)
- Water Treatment Plant Operation: Field Study Training Program, Volume 2, 5th Ed. (Cat. No. 20686)
- Water Distribution System Operation and Maintenance: A Field Study Training Program, 6th Ed. (Cat. No. 20684)
- Water Operator Certification Study Guide, 6th Ed. (Cat. No. 20517-6E)

Students are responsible for ordering their own books through the AWWA bookstore (awwa.org/store/operator) or through the Sacramento State Office of Water Programs (owp.csus.edu/courses/drinking-water). In addition, students may desire to order optional study materials from the AWWA Bookstore.

Terre Haute August 4 - October 22; Tues & Thurs, 4:30pm to 7:30pm

IMPORTANT NOTE! Registering for this course does not automatically register a person to take the IDEM Water Works Operator Certification Examination. A separate application for the Operator Certification Examination must be submitted directly to IDEM. Contact Ruby Keslar at IDEM, rkeslar@idem.in.gov, phone (317) 234-7431, fax (317) 234-8106 for more information.

REQUIRED BOOKS

- Water Treatment Plant Operation Volume 1, 6th Ed. (Cat. No. 20685)
- Water Treatment Plant Operation: Field Study Training Program, Volume 2, 5th Ed. (Cat. No. 20686)
- Water Distribution System Operation and Maintenance: A Field Study Training Program, 6th Ed. (Cat. No. 20684)
- Water Operator Certification Study Guide, 6th Ed. (Cat. No. 20517-6E)

IMPORTANT NOTES TO UTILITIES AND STUDENTS

1. Students will not receive a confirmation notice that the Indiana Section has received their registration form and check. If your form was lost in the mail, you will be allowed to register on the first day of class.
2. All payments should be made prior to class start date.
3. Students will not receive their Contact Hour verification forms at the end of the course unless all payments are made.
4. For questions about checks, contact Dawn Keyler at 866-313-2796
5. For questions about course content or books, contact Kirk Kuroiwa at 765-480-3196
For questions about the operator certification exam, contact Ruby Keslar at 317-234-7431
